Patient Centered Medical Home

What is a Medical Home?
Patient-Centered Medical Home is a model of patient care that uses a team-based approach and emphasizes care coordination and communication to provide quality care, help lower medical costs, and achieve an excellent patient care experience.

We are there when you need help. Our innovative technology enables our physicians to access your medical records anytime. This maximizes integrated care, so that we can first focus on you.

The foundation of a home is the relationship that binds its people. It is based on respect, confidence, and care.

We value your health, that's why we will ensure that you get the greatest value from your healthcare.

imagine this:

As part of our commitment to provide you with the highest standard of care, we partner with you and collaborate with your other providers to achieve the best quality tailored care we can offer.

WE VALUE:
- Safety
- Personalized and Comprehensive Care
- Communication
- Accessibility
- Coordination
- Continuity

Your role as a patient:
- Communicate closely with us.
- Keep us up-to-date with your medications, immunizations, allergies, conditions, tests, consultations, hospitalizations.
- Advise of any changes about you and your families’ medical history.
- Inform and authorize your other providers to coordinate with us.
- Participate in decisions about your health
- Follow treatment plans and self-care management directions.
- Speak up and ask questions!

Our role as your trusted Healthcare Team:
- Provide a safe and healthy healthcare environment.
- Partner with you in making your healthcare decisions.
- Coordinate with you, your authorized representatives, and other healthcare providers.
- Keep you informed and on-track by providing:
  - Health Coaching
  - Self-Care Management Support
